**Subject: Observer Member of LDAC**

Dear President López Van der Veen,

First and foremost, we would like to thank the LDAC for allowing us to work with the members and the Secretariat on key issues that are so important to all of us. The experience we have gained so far has been extremely positive and we believe that cooperation brings us all forward. We hope that MarInnLeg's contribution so far has been useful to the LDAC.

We value our cooperation very much, which is why we would like to continue to be active in the LDAC. After considering various options and after consultations, we believe that in our current situation to continue as Observer Member of the LDAC is the best solution.

We hope you accept our proposal and are looking forward to a further successful cooperation.

Yours sincerely,

**MarInnLeg**
